Dear Students

Welcome to online summer school on **Usefulness of Remote Sensing & GIS for Environmental Studies** being conducted by Indian Institute of Remote Sensing, Dehradun. In this document, you will get the procedure to participate in this course.

We hope by this time you must have received your login credentials for IIRS learning management system (LMS) platform. If not, you can apply for the course by clicking *apply now* for the course S. No. 35 available at

- <https://admission.iirs.gov.in/coursecalender>

Once you apply for the course, you will get login credentials for LMS portal.

Procedure to participate in the course:

- Every day, the lecture will be streamed live at IIRS YouTube channel:
<https://www.youtube.com/user/edusat2004>
- There will be two live sessions every day during July 26 - 30, 2021. The first session will be conducted from 1000 hrs to 1100 hrs and second session will be from 1200 hrs to 1300 hrs. Each session will have 45 minutes lecture, 5 minutes break and then 10 minutes Q/A session. You can ask your question through YouTube Chat Box. Few best questions will be selected and answered by Faculty.
- The lectures will also be uploaded on IIRS LMS portal by 1500 hrs daily during the course, where you can again see the recorded lectures. For this you need to login on LMS portal with the credential sent on email while registering for the course.

Award of Certificate:

- In addition to recorded lecture, a quiz based on two lectures delivered everyday will also be uploaded by 1500 hrs, which shall be available until 1000 hrs next day. You need to attempt the quiz every day. A certificate will be awarded if the total score of the quiz is at least 55% at the end of the course.
- After the completion of the course, you need to submit the feedback on LMS portal and then download your certificate by August 5, 2021 (tentative).

Wish you all the best for your course.
